

Medal Ceremony Presentation

Medal Ceremony Procedure

1. In numerical order and wearing their neck ribbon, each rider will trot into the ring and down the rail going first way of the ring, and into the Top Ten line up facing center ring (Line Up 1).

Note: Do not stop. Trainers do not need to enter at this time.

2. A photo will be taken while Top Ten riders make their pass to the Top Ten line up. Riders are welcome to post the incorrect diagonal for that photo.

3. After the Top Ten are introduced and lined up, the Bronze, Silver, and Gold Medalists will each be announced separately, and in that order (Bronze, Silver, Gold).

4. As the Medalists' number is called, they will trot from the line up to the Awards Podium. Trainers will meet their rider at the podium. Riders will dismount and step up onto the podium for photos and presentation of the medals.

5. Following the announcement of Medalists, riders will line up for a group victory pass in this order: Gold, Silver, Bronze, and Top Ten by numerical order. Follow the directions of your ringmaster (Line Up 2).

6. As a group, the Top Ten will complete one pass around the ring. Upon completion, Medalists will pull into center ring, and the remaining Top Ten will exit the ring.

7. Lastly, each Medalist will make a separate victory pass with Bronze going first, then Silver, and finally Gold.
