HORSE AND RIDER ENROLLMENT FORM

To be eligible for a high point trophy, each horse and equitation rider must be enrolled for that year's competition with IASPHA. The individual, family, business or farm listed on the enrollment form as owner of the horse must be a member of IASPHA. Equitation riders must have individual memberships or be included under family or business membership, but must be enrolled separately on the Equitation rider enrollment form below.

REQUIRED: Indicate if you are competing for A or B division high point awards for each horse and rider enrolled. All points accrued will be put toward your single selection for the current year's competition season. Horses/riders with an undeclared season high point division will automatically be enrolled for the A high point division. All three shows produced by IASPHA will count for double points toward horses and riders enrolled for high point trophies.

HORSE ENROLLMENT: Please list name of horse as it will appear in competition.
